

1890 St. Lawrence County Civil War Vet Census Transcription Files Potsdam, Enumeration District 213 - Part 2

The following is a transcription from the 1890 Census for St. Lawrence County.

NOTE: There are TWO parts to each entry. The top half of this files contains the following information:

LN: Line number for entry (Will be used to line up the additional info at the bottom of this file).

House & Family #: These seem to be numbers that would line the entry up with the full 1890 census (which unfortunately does not exist any longer)

Names of Surviving Soldiers, Sailors, and Marines and Widows: This field either contains the name of the soldier or else contains the name of his widow (along with his name)

Rank: Rank of Soldier

Company: Company in which soldier was enlisted

Name of Regiment/Vessel: Usually a THREE entry field: Unit Number, State Served, Type (LA=Light Artillery, Inf=Infantry, HA=Heavy Artillery, Vol=Volunteers,etc)

Date of Enlistment: Usually a THREE entry field: Day, Month, Year of Enlistment (Note: if nothing was filled in you will see '186' for the year. This is what was prefilled in on the form)

Date of Discharge: Usually a THREE entry field: Day, Month, Year of Discharge (Note: if nothing was filled in you will see '186' for the year. This is what was prefilled in on the form)

Length of Service: Usually a THREE entry field: Years, Months, Days

The bottom half of this file contains the following information

LN: Line Number for entry (find the number that matches the entry from the top of file)

Post Office Address: Mailing address for individual

Disability Incurred: Description of any disability (may run over into remarks field)

Remarks: Other remarks supplied at time of census

Transcriber Remarks: Any comments I add about the entry

Any comments, corrections, questions, etc can be sent to [Anne M. Cady](#). Enjoy and happy hunting!
